

Dear Potential Sponsor:

I am excited to introduce the Greensboro Kaos Professional Women Basketball Organization. We understands the importance of preparation, teamwork, and determination and believe it will take all three to be a competitive force on the court and a fixture in the community. We are a minority owned and operated organization in Greensboro NC, hoping to impact women's basketball in this area in two ways; to give players a chance to play basketball and showcase their abilities after college and to promote females athletics through camps, mentorship and internships.

We have great expectations for Greensboro Kaos in our inaugural season and invite you to Kause Kaos with us. Although this is our first year as an organization, many of us have been involved with basketball for decades – we feel confident that we will be successful on the court but look to be equally successful off the court and that is where we need your support. We are seeking sponsorships and partnerships to help expand our connection with the community and support the growth of the organization. Listed in this packet are various levels of sponsorship but we are flexible and will design a custom package better suited should you desire.

It is our vision to become one of the many threads in the fabric of the Greensboro community. Through our work and contribution, we aim to encourage, empower and inspire female athletes on and off the court. We hope we can count on you for your support.

For more information about sponsorships please email GreensboroKaos@gmail.com or call 919-859-3807. Thank you for your consideration.

Let's Kause Kaos!
